NIEHS and EPA Centers for Children's Environmental Health and Disease Prevention Research: *Strengthening the Network*

MARCH 6–7, 2012

NIH NATCHER BUILDING
(NIH MEDICAL CENTER-METRO RED LINE)
BETHESDA, MD

This meeting, sponsored by the National Institute of Environmental Health Sciences (NIEHS) and the U.S. Environmental Protection Agency (EPA), will bring together Children's Environmental Health Center investigators and other experts in the area of children's environmental health to share scientific strategies, and to have open discussion on implementation of new research approaches and tools. We will highlight late breaking science in the field, and culminate with a dynamic exchange between scientists and key stakeholders on translation of the science, lessons learned, and future opportunities.
